PRAYER OF MCHF

With hearts and minds we pray as the Maronite College of the Holy Family,
to the God who has loved us into being, to be our constant guide in our educational journey.

To Jesus Christ, our Teacher, to always be our role model.

To the Holy Spirit, to bless us with wisdom, knowledge and understanding.

With Mary, the Mother of God, and Saint Joseph,
who both led by example,

may our community reflect the unity and love of the Holy Family.

May we build up one another through the gifts we each bring to this College.

In our efforts to grow in body, mind and spirit,

may we nurture our Maronite faith, Lebanese culture and Australian identity.

May all at our Maronite College embrace the call to deeply know, love and serve,
both God and neighbour.

We ask this through God our Creator, Jesus our Teacher and through the grace of the Holy Spirit. Amen

CHARISM OF THE MARONITE SISTERS OF THE HOLY FAMILY (MSHF)

The first female Maronite Congregation, The Maronite Sisters of the Holy Family, was founded by Patriarch Elias Howayek, Rosalie Nasr and Stéphanie Kardouche, on the 15th of August 1895. Historically the Maronite Sisters of the Holy Family was ‘founded for’ the ministry of educating village girls. The Congregation from the very beginning was focused on the needs of the times, committed to educational, humanitarian and spiritual service.

The Congregation is deep-rooted in the Antioch Syriac Maronite Church and is open to the universal Church. It perceives the needs of the Lebanese and Expansion, while serving all, in the Body of Christ.

The wave of immigrants from Lebanon hit Australian shores, beginning in the late 1800s and steadily increased in the latter half of the 1900s. Many later Maronite migrants wanted to preserve their Maronite faith and tradition. As a result, the Sisters were sent to Australia in 1968, settling in Sydney, and have since then established two K-12 Colleges, a childcare and a preschool as well as two aged care facilities.

Our Lady of Lebanon College was opened in 1973. In 2014 a College name change resulted in the Maronite College of the Holy Family.

COLLEGE ETHOS

Maronite College of the Holy Family - Parramatta is unique in that it was established in 1972 for students of Australian-Lebanese background and Maronite Catholic faith. The Maronite Synod (2003-2006) distinguished aspects of the Maronite Catholic Church as:

...firstly, an Antiochene Syriac Church, with a special liturgical heritage; secondly, a Chalcedonian Church; thirdly, a Patriarchal Church with an ascetic and a monastic aspect; fourthly, a Church in full

union with the Apostolic Roman See; fifthly, a Church incarnated in her Lebanese and Eastern environment, and the Countries of Expansion.

The College, through the ministry of the Maronite Sisters of the Holy Family (MSHF) and its staff, strive to instil in the students the teachings of Jesus. Emphasis is firstly given to providing a strong Maronite Catholic Foundation. This is expressed through staff, students and parents regularly worshiping and praying together, celebrating liturgy and Sacraments, in the Maronite Catholic tradition. There is commitment to the Scriptural Word and emphasis on the working of the Holy Spirit that nurtures each person's spirituality.

Secondly emphasis is given to love and service. All students are encouraged to see the best in themselves and in one another and to achieve their full potential. The College Ethos can best be achieved in the words of Saint Paul, 'Whatever is true, whatever is honourable, whatever is just, whatever is pure, whatever is pleasing, whatever is commendable, if there is any excellence and if there is anything worthy of praise, think about these things' (Phil 4:8).

The College is more than an educational institution; it is a community which promotes a sense of family among the Sisters, staff, students, parents and friends. It emphasises values of treating all with dignity, service, forgiveness and justice. Staff, students and parents are encouraged to grow in their relationship with God, as reflected in the College motto, 'To know, love and serve.'

MISSION STATEMENT

Maronite College of the Holy Family, in serving the educational needs of the broader community of Western Sydney, seeks:

- To build a College community in which the Gospel values of faith, justice and love are reflected in all aspects of daily life.
- To identify the unique needs of each student, so as to allow each child to develop to their fullest potential – spiritually, academically, physically and socially.
- To encourage each student to take pride in their Religious and cultural identity as Australians living in a multicultural society.
- To recognise and affirm the pre-eminent role of parents in the education of their children and encourage their active involvement in the College community.
- To live out the College motto of 'To know, love and serve.'

COLLEGE OUTCOMES

It is hoped that a student who has completed their education at Maronite College of the Holy Family will become:

- Disciples of Christ
- Faithful to their Maronite Catholic upbringing
- People of faith, justice and love
- Mature
- Intellectually competent
- Possessing necessary life skills

PARENT COMMUNICATION

Parents

Policy

Parents are encouraged to assist in the classroom and College community.

Procedures

- All parent helpers need to attend a Parent Volunteer Induction meeting to be brief on the Child Protection and Work Health and Safety requirements.
- Parents are required to report to the office on arrival to sign in and obtain a visitor's badge which must be worn for the duration of their visit to the College premises. Parents are to sign out and return the badge prior to leaving College grounds.
- If parents require an appointment to see teachers, please contact the Secondary Administration office or write a note to the teacher.
- Parents are asked not to have discussions with teachers during assemblies, or class time.
- The College ensures communication with parents is maintained. For families affected by separation or divorce, the presumption of equal shared parenting applies as per Section 61DA of the Family Law Act. Parenting Orders and Aggravated Violence Orders precede these presumptions. The parent with whom the child lives would receive all communications in these events.
- Parents are invited and encouraged to become involved in the College through:
 - Attendance at meetings, Parent/Teacher Interviews, Curriculum/Parent Information meetings.
 - Excursions.
 - Supporting social functions.
 - Supporting Sacramental Programs.
 - Supporting classroom teachers in appropriate Curriculum areas.
 - Taking an active role in the Parents Association and Parent Education and Support Network (P.E.S.N)

Parent Association (PA)

Policy

Parents are active partners who make valuable contributions to the life and growth of our College community.

The PA was established in March 2006 under a constitution with an annually elected Executive Committee.

Their aims and achievements are published on the College website

<http://www.mchf.nsw.edu.au> by following the link from *Community of MCHF* to *Parents Association*.

The web page includes achievements such as improving road traffic safety around the College, fund-raising for College renovations, presenting guest speakers plus many public relations activities.

Procedure

PA meetings are held when required throughout the year and the dates are announced on the College notice board. The PA constitution does not allow the PA to be a forum for discussing individual staff or students, but for general issues.

Parents are welcome to join and be included on the regular mailing list of activities and initiatives by inquiring at the College office.

Parent Education and Support Network (P.E.S.N)

Policy

The purpose of the Maronite College of the Holy Family Parent Education and Support Network (P.E.S.N) is to offer services and workshops which foster a partnership of students, parents and staff. This partnership is designed to encompass all avenues of communication that occurs within our College community.

Procedure

All parents and guardians of our students are members of P.E.S.N and are encouraged to attend various seminars and workshops and become active participants in the services offered.

The focus of P.E.S.N. is to invite parents, students, teachers and the greater College community into a conversation about significant issues that we face in contemporary society.

Through the services, P.E.S.N offers interactive, hands on learning experiences and presentations that support parents to confidently engage with their children about their achievements and challenges.

COLLEGE UNIFORM POLICY

The College uniform is a significant way that people can distinguish a student of Maronite College of the Holy Family. The uniform should be worn, at all times, with pride.

- Correct College uniform is to be worn coming to, at, and going from the College.
- Shoes are to be kept clean.
- The College uniform should be in good condition.
- Parents are encouraged to have at least two sets of the uniform, with one acting as a back up.

It is important that students wear their College uniform at all times. Correct wearing of the uniform demonstrates students' pride in their personal appearance, respect for themselves and their peers and their loyalty to the College. The College's reputation can be damaged by students who do not comply with dress and grooming regulations.

Hairstyles and Grooming

All students are expected to observe the fundamental standards of personal cleanliness and hygiene necessary to promote good health and well-being. No shoes other than closed black leather closed school shoes (for College uniform) or sport running shoes (for sport uniform) are to be worn except where permission has been sought in writing from the Year Advisor and has been granted. Such permission would ordinarily be for medical reasons only.

Boys

Boys are expected to keep their hair well-groomed and clean at all times. Haircuts, which by their style or length draw attention to themselves as being out of the ordinary, are not permitted. A number 2 is the minimum for haircuts. *Any student with such a haircut will be directed to fix the problem within 48 hours.*

- The only jewellery permitted for boys is a suitable watch and a religious cross on small chain
- No ear rings or rings are permitted
- No bracelets are permitted (religious bracelets is permitted, but not recommended)
- Boys must be clean-shaven every day
- No facial hair or sideburns are permitted. Students who come un-shaven to the College will be sent home immediately by the Year Advisor and can only return once they have shaved. Students will no longer be provided with a razor.
- Tattoos of any size or shape are not permitted at the College
- Use of hair gel is not allowed
- Use of Anti-Persperant deodorants is required (roll on deodorant is recommended)

Girls

Hairstyles must be neat, clean and tidy. Hair should be of a natural colour. Cuts and management of hair needs to suit the uniform and be appropriate for College appearance. Girls with long hair (shoulder length and longer) are to tie it back with royal-blue ribbon or hair-ties. No hair extensions allowed. *Any student which does not meet these requirements will be directed to fix the problem within 48 hours.*

The College limits the amount and type of jewellery students can wear because jewellery can put a student's safety at risk when the student is participating in certain sporting, science or technology activities.

- A watch is allowed as well as a cross on a necklace chain
- Girls are allowed to wear only ONE PAIR of simple ear stud or sleepers in the centre of the ear lobe. No Additional piercings or additional clear earrings are permitted.
- No nose rings permitted
- No rings, bracelets or anklets are permitted (religious bracelets is permitted, but not recommended)
- No make-up or nail polish is to be worn
- Tattoos of any size or shape are not permitted at the College
- Use of Anti-Persperant deodorants is required (roll on deodorant is recommended)

Unacceptable items, if worn, will be confiscated by the teacher. They will be kept in the College Office for safe keeping and returned to the student at the end of that term. Homeroom Teachers will conduct uniform and grooming inspections every morning and offenders will be reported to their Year Advisor for disciplinary actions. College staff will continue to monitor student uniform and grooming throughout the day, including recess and lunch.

The College requests the support of parents in administering the College Uniform and Grooming code. This can be achieved by ensuring that students are correctly dressed and groomed when leaving for school in the morning. If there is a reason that a student is unable to wear correct uniform, parents must write a note to this effect, indicating the nature of the problem and when the situation is likely to be remedied. Parents are encouraged to contact the College at any time with concerns or questions regarding the uniform or grooming standards.

College Bag

The approved Maronite College of the Holy Family bag is the only bag permitted and can be purchased from the College. It is to be kept in good condition with no stickers attached, or graffiti displayed. It should be clearly labelled with the student's name and address. No other bag of any type is permitted to be brought to the College.

STUDENT DISCIPLINE POLICY

College Based Discipline System

Rules have been established to provide students with a clear expectation of behaviour and the standard consequences for an infringement. The consequences have been levelled and are dependent on the severity and frequency of the offence to ensure the principles of equity and justice are maintained.

Moving Students towards Self Discipline

The basis of a good discipline structure in any school is the self-disciplined student. We also recognise that the essential ingredients of a good discipline system are clear expectations, consistent application of consequences, early intervention and developing positive patterns of behaviour. These elements must also be grounded in love and affection.

At Maronite College of the Holy Family, all misconduct, breaches of College rules, and violations of the law are investigated, followed-up, and acted upon. In all dealings with student discipline, the College will follow procedural fairness, conducted in a manner ensuring fair practice and equity, respect to all parties, and due observance of confidentiality.

Students are encouraged to identify their behaviour as being purposeful, self-evaluate the ways they are meeting their needs and to choose appropriate behaviours that meet their needs in the most positive way for themselves and all members of the College community.

As students develop these skills, they become more and more self-disciplined. Their behaviour is motivated internally and they need fewer external sanctions to meet the high standards of behaviour expected at the College. Students are encouraged to develop self-discipline where behaviour is self-evaluated in reference to our College values of integrity, hope, justice, dignity and respect.

Behaviour Code

The Behavioural Code has been developed based on the rights and responsibilities of students at Maronite College of the Holy Family community. This Behavioural Code takes into account Duty of Care and Child Protection Policies.

The Behaviour Code aims to:

- Treat student members of our College community fairly and justly.
- Set expectations to a high standard. We aim to develop admirable qualities of character in our students.
- Promote an atmosphere conducive to effective teaching and learning.
- Create a supportive environment where students can develop their abilities and interests.
- Foster a mutual respect for others and their property.
- Develop in students the ability to take responsibility for their own behaviour and the consequences of their actions

Corporal Punishment

The use of corporal punishment to enforce discipline by any member of staff is strictly prohibited. Furthermore the College does neither explicitly nor implicitly, sanction the use of corporal punishment by non-school persons, including parents, to enforce discipline.

Students Rights and Responsibilities

As a student member of the community I have the right to:	Therefore I have a responsibility to:

(The “Rights and Responsibilities of Students” table can be simplified for younger children.)

The possible consequences for an infringement will vary depending on the severity and frequency of the offence.

Secondary Discipline System

Maronite College of the Holy Family administers a discipline system based on providing opportunities for students to improve their behaviour. There are numerous opportunities for students to work with members of the College to seek advice, strategies and feedback in developing into the best individual they can be. The College operates their discipline system on four stages:

- Stage 1: Teacher Disciplinary Action
- Stage 2: Coordinator Disciplinary Action
- Stage 3: Secondary Leadership Team Disciplinary Action
- Stage 4: Principal/Deputy Principal Disciplinary Action

Stage 1: Teacher Disciplinary Action

Teaching is a profession that requires teachers to be responsible and maintain classroom discipline while ensuring duty of care of students at all times. The following are guidelines for Stage 1:

- Teachers may deem an action serious enough to automatically escalate to higher stages. This must be communicated to the appropriate Coordinator pending on the incident.
- Teachers may ask for professional and pastoral support from Coordinators to help them develop behavioural management strategies, however Coordinators must not interfere until due process is followed.
- If students misbehave in class they will be disciplined by their class teacher by taking action from **each** of the following levels. This table serves as a guide and teachers may include their own strategies and in-class systems.

- Teachers must keep records on the student management system when addressing student concerns within their classroom.
- Once a teacher has disciplined a student at each level, with no improvement, the concern must be communicated with the parent/guardian and advised that the matter may be escalated. **Parent Communication must be recorded on the student management system.**
- If no improvement has been demonstrated by the student, the teacher consults with their KLA Coordinator.

STAGE 2: Coordinator Disciplinary Action

Once a teacher has consulted with the KLA Coordinator, the Coordinator will:

- Assess the report made.
- Apply strategies to resolve the matter.
- Collaborate with the Year Advisor if the issue needs to be referred.

The following are possible strategies that KLA Coordinators and Year Advisors may apply:

EXPLANATION OF THE VARIOUS SECONDARY DISCIPLINE TASKS AND PROGRAMS

Issuing of Litter Bag

Students who are issued with a litter bag are to complete it **during recess or lunch**. The student may be issued a litter bag for failure to act appropriately or for consistent misbehaviour in class.

- The teacher records the issuing of the litter bag in the student diary by allocating a date when the litter bag is to be completed and explaining the procedure to the student to complete the task and have their diary signed by the supervising teacher.
- The student is asked to collect a litter bag from the relevant Administration Office at lunch.
- The student hands the diary to the teacher on lunch duty and is then to fill up the litter bag.
- Once the student has filled up the bag, the teacher signs off the student's diary.

Restorative Justice

- Students are given a handout to complete by their teacher.
- Students identify their misbehaviour and reflect on the incident, the affects, their actions and setting goals for the future, in order to reduce the chance of the incident occurring again.
- The handout is signed by the student, their parent/guardian and the teacher.
- The handout is then placed in the students file.

Formal Lunch Detention

Formal Lunch Detention occurs once a week and is supervised by the Year Advisors.

- A Coordinator records the issuing of the lunch detention in the student's diary.
- The Coordinator completes the Stage 2 Disciplinary Action Form.
- A record is kept of the Formal Lunch Detention on the student management system.
- During the detention, the student is given the Restorative Justice handout to complete and it is then placed in their file.
- The supervising teacher signs the detention in the student diary to confirm the student's attendance.

Afternoon Detention

Students are placed on an Afternoon Detention by a Coordinator in order to discipline students who conduct themselves inappropriately or who do not meet the requirements in repeated incidences or for severe incidences. Afternoon Detention occurs once a week and is supervised by Coordinators who are rostered on each week.

- The Coordinator issuing the detention records the detention in the student diary.
- The Coordinator completes the Stage 2 Disciplinary Action Form.
- Parents/Guardians are notified that their child is placed on an Afternoon Detention via letter sent home. Afternoon Detentions may be an inconvenience to parents, therefore a week's notice will be given to provide parents with an opportunity to arrange travel home after the detention.
- During the detention, the student is given the Restorative Justice handout to complete and it is then placed in their file. Students may also complete other tasks directed by the supervising teacher.
- The supervising teacher signs the detention in the student diary to confirm the student's attendance.
- A record is kept of the Afternoon Detention on the student management system.

Stage 2 or 3 Monitoring Card

Students are placed on a Stage 2 or 3 Monitoring Card to demonstrate care and remorse. A monitoring card is issued to a student by a Year Advisor or member of the Secondary Executive Team who persistently disrespect the rights of others and fail in their responsibility to develop self-discipline.

- The monitoring card will be for a minimum two-week period for Stage 2 and a minimum three-week period for Stage 3.
- The Coordinator completes the Stage 2 Disciplinary Action Form.
- Parents/Guardians are notified of the issuing of the monitoring card.
- A record is kept of the monitoring card on the student management system.
- Students are required to take the monitoring card to every lesson and the teacher is asked to complete it.
- At the end of each day the student must show the monitoring card to the Year Advisor.

- At the end of each monitoring card, the student must ensure that the Year Advisor, their parents and a member of the Head of Secondary sign it before the student can be considered to have successfully completed it. If successfully completed, the student will be placed on a probationary period.

Punctuality Card

Students are placed on a Punctuality Card if they consistently late to a specific class. The punctuality card acts as a reminder for a student to ensure they are punctual to all their classes. A KLA Coordinator or Year Advisor may issue a student with a punctuality card.

- The punctuality card will be for a period of time as advised by the Coordinator.
- The Coordinator completes the Stage 2 Disciplinary Action Form.
- A record is kept of the monitoring card on the student management system.
- Students are required to take the punctuality card to every lesson for the subject it issued for and the teacher is asked to complete it.

Community Service Task

Students are placed in a community service task to demonstrate remorse for their actions and to provide assistance to the College. A Year Advisor or member of the Secondary Executive Team may place a student in a community service task.

- The Coordinator completes the Stage 2 Disciplinary Action Form.
- Parents/Guardians are notified of the details of the task.
- A record is kept of the monitoring card on the student management system.
- The task is to be completed on the date and time as advised by the Year Advisor or member of the Secondary Executive Team.

Sport Detention

Students are placed on Sport Detention in order to discipline students who conduct themselves inappropriately or who do not meet the requirements of the College. Sport Detention is held every Thursday during sport. Students will remain at the College and not participate in Representative or Form Sport and will be under the supervision of a member of staff.

- The Year Advisor or Sport Coordinator completes the Stage 2 Disciplinary Action Form.
- A record is kept of the Afternoon Detention on the student management system.
- During the detention students complete a community service task assigned and supervised by a member of staff.

Saturday Detention

Students are placed on Saturday Detention in order to discipline students who do not meet the requirements of an afternoon detention. Saturday detention is rostered and under the supervision of staff.

- Parents/Guardians are notified of the date and time.
- A record is kept of detention on the student management system.
- During the detention students complete the Restorative Justice handout and a community service task assigned and supervised staff.

Progressive Disciplinary Actions

The purpose of progressive disciplinary action is to ensure consistency and clarity is maintained when students are being disciplined. Individual incidents may warrant an automatic escalation to a higher stage pending on the severity of the incident.

ANTI-BULLYING POLICY

What is Bullying?

Bullying is not the same as conflict. Bullying is about people using their power to hurt or humiliate others. "Bullying is the conscious desire to hurt, frighten or exclude someone by physical or verbal means." Bullying can take many forms: PHYSICAL, VERBAL, SOCIAL, PSYCHOLOGICAL, and CYBER

The Impact of Bullying

Bullying behaviour stops an individual from feeling comfortable in a school's shared environment. Bullying behaviour can also affect the long term emotional and social development of the student who is bullying. Bullying impacts the College community as a whole.

AS SUCH BULLYING BEHAVIOUR HAS NO PLACE AT MARONITE COLLEGE OF THE HOLY FAMILY.

What can you do if you are bullied?

As the target of a bully, you are the one who should take action most strongly. The more you try to ignore it and leave it, the more likely the bullying will continue and become worse and potentially reach dangerous levels. Never feel like that nothing can be done or if you want to do something never think that you will continue to be targeted. There are many members of staff at the College who are able to assist – your teachers, your Year Advisor, Stage Coordinator Primary, Head of Primary/Secondary, the Psychologist, or the College Chaplain. They can help you decide how to handle the situation and they can take action.

ALWAYS REMEMBER THAT YOU ARE NOT ALONE. THE COLLEGE TAKES BULLYING SERIOUSLY AND WILL NOT TOLERATE ANY FORM OF BULLYING OCCURRING AT THE COLLEGE.

What can you do if you are a witness to bullying?

There is a fear that if you report the bullying incident you can become the target of bullying, or be labelled a 'dobber', but to be effective the College needs to work together with members of staff, students and parents. To be able to assist, if you are a witness to bullying behaviour, you need to care enough to want to do something about it.

Cyber bullying: definition and suggestions

Cyber bullying can occur in different forms such as text, video or image and can be conveyed using a range of modes, such as e-mail, social websites, mobile phones, instant messaging, chat rooms, web blogs and online personal polling sites. People using bullying behaviour will often act more boldly online than if they were facing their victim in person. Sending taunts remotely and anonymously makes the person doing the bullying feel safer. The victim's physical or emotional response, which might change or soften the bullying behaviour, can't be seen. Cyber bullying is often done by **Cyber Predators**. These are people who use the Internet to hunt for victims to take advantage of in ANY way, including sexually, emotionally, psychologically or financially. Cyber predators know how to manipulate children, creating trust and friendship where none should exist. They often create nicknames that do not reflect their own name or anything personal in order to deceive children.

Suggestions on handling cyber bullying for students

If a child is being bullied online, it's great for them to feel they have some power to resolve the problem on their own. These six steps are a good way for your child to **G.E.T. R.I.D.** of the bully:

1. **Go** block or delete the person engaging in cyber bullying. Blocking from friend lists helps stop the person engaging in cyber bullying from posting or uploading offensive content about your child. If it's a text message or call, you can call the service provider and have the calls/texts monitored. If necessary, the service provider can even contact the sender, since mobile phone holders breach their contract if they use their phone to bully. If necessary, you can change the phone number;
2. **E**nsure you keep evidence of bullying. Save and print out any bullying messages (Use the print screen key, at the top right of most keyboards);
3. **T**ell someone about it; ignoring it may lead to it becoming worse. Tell an adult you trust, your parents, your Year Advisor, Stage Coordinator Primary or Head of Primary/Secondary.

4. **Report abuse.** Reporting bullying to web administrators is usually as easy as clicking on a 'report abuse' link on a website. The website will remove the offensive content. Do not respond to the abuse. There could also be consequences for the person engaging in bullying. If it occurs at school it must be reported immediately to Year Advisor, Stage Coordinator Primary or Head of Primary/Secondary. Remember that If you have been threatened, this matter could be reported to the local police;
5. **Ignore bullying behaviour.** This means not responding aggressively to taunts. It's OK to tell the person engaging in bullying to stop, but you shouldn't try to retaliate aggressively;
6. **Delete the bullying message** (after saving a copy), and don't forward via text or send chat logs to others. Never give anyone access to your accounts or give your usernames and passwords.

Suggestions on handling cyber bullying for parents

- Place and keep home computers in an open, common area;
- Inform Internet Service Providers (ISP) or mobile phone service provider of any abuse;
- Keep records for evidence by saving or printing out messages or keeping a screenshot and note the time and date;
- Install parental control programs on home computers that provide filters for social websites, instant messaging, chat rooms etc.;
- Report all bullying incidences to the College – especially if the bully is another student from the College;
- Report serious incidences to the Police;
- Do not take matters into your own hand;
- Provide loving support for your child throughout the resolution process and encourage them to talk about their feelings.

Screenshot Evidence

A screenshot is a photograph of the computer screen and is useful for recording details you may want to report

- Firstly, have the information you wish to record open on the screen and press PRTSCN (Print Screen) button on your keyboard. The image will be saved in a temporary memory;
- Secondly, open a Microsoft Word document and right click and paste the screenshot;
- Thirdly, make a note of the date, time, location, e-mail address, nickname or any other information that you think might be useful and then save the file or print it.
- For Apple products you can take a screen shot by pressing the on/off button and the home button at the same time. This will capture an image of the screen and send it to your gallery as a picture. The Apple product can then be brought to the College to verify the bullying incident.

Procedure in dealing with bullying incident

1. There are two ways to report Bullying:
 - i) The student reports the incident to a member of staff who then directs the student to the Year Advisor. The Year Advisor advises the student to complete the "Bullying Complaint Form." Parent and student complete and authorise the form as an acknowledgement of a potential alleged bullying incident.
 - ii) The student completes the online Bullying form which goes directly to the Year Advisor
2. Year Advisor who then investigates and collects information in regards to the alleged bullying incident;
3. If the incident does not warrant action, then the Year Advisor will keep a record of the incident and will monitor the situation.

If the incident is found to warrant further action, the following steps will be taken:

4. Year Advisor presents investigation details including background of the incident and necessary evidence to the Head of Secondary;
5. This is followed with both the Year Advisor and the Head of Secondary interviewing the students and parents of students involved in the bullying incident;
6. Depending on the evidence and the outcome of the interviews, action will be taken against the alleged bully and any other student who supported the bullying. Students will be disciplined at a Stage 3 level of the Student Development Policy and may include:

- A meeting with all the teachers of the student of concern.
 - Formal parent meeting.
 - Student issued with a Stage 3 Monitoring Card (managed daily by the Year Advisor and overseen by the Head of Secondary).
 - Referral to attend a counselling session or the mentor program
 - Issuing of a temporary contract
 - Issuing of an Official Warning letter
 - In-School Suspension (partial or full day)
 - Formal College Suspension
7. Follow up action will be carried out by the Year Advisor through ongoing monitoring to ensure the outcome and resolutions reached are carried out by all parties involved.

Please Note

- It is made to clear to students that any form of retaliation or discussion of the incident directly with the students in any negative manner outside the process of resolution will be treated as harassment and possible suspension or termination of enrolment will be considered;
- Constant feedback is given to parents by the College throughout the procedure;
- Serious incidents may be referred to the Police.

STUDENT ATTENDANCE

Policy Statement and Objectives

Attendance at school is a pre-requisite for school achievement. Students need to be at school to develop the skills, knowledge and values they will need to succeed in life. Attendance must be seen as a priority by schools, families and communities.

Maronite College of the Holy Family is committed to ensure regular attendance is a core school responsibility. Regular attendance at school is essential to assist students to maximise their potential. The College, in partnership with parents, are responsible for promoting the regular attendance of students.

The College documents all areas relating to student attendance in a School Attendance Register and a Register of Admission which both reflect a high level of professional standards and comply with the current legal requirements.

Responsibilities of Parents/Carers:

The College understands that under Section 22 of the Education Act (1990), it is the responsibility of the parent/carer:

- to enrol their children of compulsory school age in a government registered non-government school, or registering them for home schooling with NESAs to receive instruction in accordance with the conditions to which the registration is subject;
- ensuring that their children attend school every day the school is open for their instruction;
- explaining the absences of their children from school promptly and within seven school days from the first day of any period absence;
- working in partnership with the College to support regular attendance at school, including communicating with the College if they are aware of issues impacting on their child's attendance or engagement with school;
- apply to the College for a Certificate of Exemption if they can clearly demonstrate that the child's absence from school for a period up to 100 days in a twelve-month period is in the student's best interest.
- Apply for leave (for family holidays) if a child is to be absent from school for a period of 10 to 100 days

K-12 Procedure for Applying for Leave (for family holidays)

Families wishing to apply for leave, 10-100 days must follow the following procedure:

1. Four weeks prior to departure, parents wishing to seek leave from schooling to go on a family holiday for their children must collect a copy of the application form from the Secondary Administration Office.
2. Completed application forms including supporting documentation (itinerary) will be handed to the Head of Secondary. The application will be reviewed in consultation with the Principal. The College may contact parents to clarify any information in the application for or if there are any concerns.
3. If the College Principal approves the application, a letter will be issued to the applicants. Additional copies will be placed in the student's file. Relevant staff will be notified of the details of the approved leave.
4. Prior to the student's leave, the College will provide each student with work for each Key Learning Area. The Director of Curriculum will coordinate with the student's subject teachers to prepare the designated work.
5. If the College Principal denies the request for leave, the parents will be notified in writing.
6. Students for whom leave is granted, but the period is extended beyond the amount indicated on the application form, will be considered as absent; unexplained or unjustified.
7. Students who have been absent during a semester will receive a mid-year or end of year report that reflects the tasks they have completed during the period of attendance. For students who are absent on approved leave when reports are handed out, distribution of the reports will be arranged by the relevant Year Advisor.

Compulsory School Age, Leaving Age and Attendance Requirements

In New South Wales, 'compulsory school-age' means that all children from six years of age are legally required to be enrolled at and attending school or be registered for home schooling.

Current leaving age and attendance requirements are:

1. From 2010, all NSW students must complete Year 10
2. After Year 10 and until the age of 17 students must be either:
 - in school, or registered for home schooling
 - in approved education or training
 - in full-time, paid employment (average 25 hours/week)
 - a combination of these
3. Enforcement provisions include:
 - compulsory attendance orders; and or
 - compulsory schooling orders
4. If a child below year 10 or their parents fail to satisfy the College Principal that the compulsory attendance provisions are being met the following steps will be initiated:
 - Make a Risk of Significant Harm Report to FaCS; in accordance with the Mandatory Reporting Guide at 'Neglect: Education Habitual Absence'.
 - Notification to the NSWESA consistent with the provision of Sections 3.8 of the Registered and Accredited Individual Non-government Schools (NSW) Manual.

Non-attendance

Non-attendance at school can occur for a range of reasons including:

- The student is unwell.
- The Principal has asked that the student remain home due to a communicable disease.
- The student is absent with a valid reason in the opinion of the Principal.
- The student is absent without a valid reason in the opinion of the Principal but with parent or carer consent.
- The student is absent with parent or carer consent.

All non-attendance by students is viewed as critical when it begins to impact on the learning, health and well-being outcomes of students. This includes both explained and unexplained absences. As such, the College has stringent protocols in place to investigate and assess concerns for ongoing absences, unexplained absences, and punctuality.

Early intervention of students who are developing patterns of poor attendance and punctuality; reduces the risk of escalation in later years.

In the cases where absences have been accepted for sick leave Medical Certificates must state "unfit for school", otherwise the College can investigate and record as an unexplained/unjustified absence if sufficient evidence is not provided.

Neglect: Education-Habitual Absence

Habitual absence is a minimum of 30 days absence within the past 100 school days. Where a student is absent for a minimum of 30 days within 100 school days the College is required to investigate this as a possible 'Neglect' situation under Child Protection Legislation; Mandatory Reporting. Consideration will be given for a lack of awareness of educational requirements by families from culturally and linguistically diverse backgrounds, information needs to be provided to the parents.

Before referring to the Year Advisor the following steps must be undertaken:

- Contact the parents, discuss the issue of attendance and provide information and appropriate assistance to encourage regular attendance of the child
- Inform the parents of the impact that prolonged and continued absence can have on a child's education
- Ascertain if the parents are unwilling to address the non-attendance issues and if efforts to assist failed to increase attendance.
- Assess if reasonable explanations for the child's absences have been received throughout the year.

The Year Advisor will review each case and report to the College Psychologist if a Community Services referral becomes necessary. Community Services will advise the College on the appropriate action necessary.

Letters of Explanation

A letter of explanation, signed by a parent, is required if a student is:

- absent from the College or arrives late to the College or needs to leave the College early
- has not completed or done homework/assessment task

- is not wearing the proper uniform
- cannot participate in an activity
- attending an excursion or an out-of-school activity

**‘Slept in’ and ‘missed the bus’ are reasons that the College will not accept as valid to explain an absence.
Traffic will only be accepted pending on the situation.**

**IT’S NOT OK TO BE AWAY FOR
NO VALID REASON**

STUDENT LEADERSHIP

College Leaders

At the College we believe all students should have the opportunity to develop leadership capacity through skills and qualities. Year 12 students undertake an election process to become College Leaders. It commences towards the end of year 11 where students participate in a Leadership Day. Following this, students in year 12 will nominate leaders as well as members of staff. The College Leaders are selected

based on the nominations and the advice of the College Executive. The College Leaders are then presented to the College at an official ceremony.

STAGE 4 & STAGE 5 CURRICULUM POLICY & ASSESSMENT GUIDELINES

1. POLICY DESCRIPTION

The Stage 4 and 5 (Years 7-10) Secondary Curriculum Policy and Assessment Guidelines are required to maintain NSW Education Standards Authority (NESA) Registration and Accreditation. Teachers, parents and students need to be informed of the Stage 4 and 5 requirements.

2. PURPOSE

The purpose of the Stage 4 and 5 (Years 7-10) Secondary Curriculum Policy and Assessment Guidelines is to ensure that the NESA requirements are met for students to be eligible for the completion of their studies and prior to beginning their Stage 6 studies at Maronite College of the Holy Family (MCHF).

2.1 What is Assessment

- a) The assessments submitted by schools for a particular course are intended to measure their students' achievements relative to a pre-determined set of standards issued by NESA for each course offered in the HSC. The final assessment result will be based on a student's achievement measured by assessment tasks undertaken during the course.
- b) The use of achievement measures at points during the course is seen as serving three purposes:
 - i. It enables consideration to be given to those aspects of the course, the attainment of which can be best demonstrated over time in situations other than formal examinations, e.g. practical skills.
 - ii. It caters for any "self-contained" elements such as fieldwork, which occur as an isolated part of the course.
 - iii. It increases the accuracy of the final assessment of the students' achievement by utilising multiple measures.
- c) The assessment is to encompass all syllabus outcomes other than those relating to the affective domain (interests, attitudes). It will also include that content, and those outcomes that are currently measured by the external examination. It should be stressed that the assessment will not take account of conduct.

3. OBJECTIVES

The objectives of the Stage 4 and 5 (Years 7-10) Secondary Curriculum Policy and Assessment Guidelines are to:

- Outline the NESA assessment requirements
- Communicate and inform teachers, parents and students of the requirements
- Ensure good practice procedures are in place to facilitate meeting the requirements

4. PROCEDURE

- i. Teaching and Learning Programs are designed to cater for differing levels of need within a class and grade group to ensure each student is able to achieve at their own academic level.
- ii. When developing programs teachers must be aware that they must not organise activities that include the use of peanuts, tree nuts or any nut products in curriculum or extracurricular activities. This does not include foods labelled 'may have traces of nuts'.
(Ref: Allergy and Anaphylaxis management within the Curriculum P-12 www.dec.nsw.gov.au)
- iii. Student Profiles are kept for each student. These are updated regularly to include a summary of information regarding a student's academic and behavioural progress. Student Profiles are stored in the Administration Offices and used by Coordinators to review and track each student's progress.
- iv. Teachers will assess students regularly in keeping with the College Assessing and Reporting policy.
- v. Names of students who are experiencing academic concern are forwarded to the KLA Coordinators for further review and assessment. Advice may be sought from other personnel such as the Secondary Leadership Team, College Psychologist, Specialist teachers.
- vi. Teachers make anecdotal comments to programs indicating achievement of outcomes by specific students.
- vii. Student performance is recognised via merits and awards.
- viii. Outstanding student performance is recognised at Academic assemblies.

5. STRATEGIES / PROCEDURES

5.1 Nature and purpose of Stages 4 and 5 Assessment

Student assessment should indicate the student's overall achievement in a course on its completion. It should relate to the stated objectives and outcomes as described in the syllabus. The main purpose of Stages 4 and 5 assessments is to provide information in order to allocate grades in all 100-hour and 200-hour courses. Formal assessment is based on the outcomes in each of the syllabi. Using this assessment and professional judgement, teachers will compare the student's performance with the Course Performance descriptors in order to allocate grades.

5.2 Student responsibilities regarding assessment tasks

The assessments identified in the assessment grid will contribute to the achievement reported in the College reports issued at the end of each Semester.

- a. Each student is expected to complete the assessment tasks identified in the assessment grid as well as all other assessments which teachers may use to determine student progress.
- b. Extensions of time may be granted only in exceptional circumstances by the KLA Coordinator / Director of Curriculum. Students are not to consider that extensions of time will be granted automatically for assessment tasks. Written approval must be obtained in advance (more than two days) by completing an extension form application from the Director of Curriculum. This approval may involve independent documentary evidence e.g. a medical certificate. *A medical certificate from a doctor who is related to the student in any manner is not sufficient.*
- c. If it is not possible to submit an assessment task on the due date (as may be the case with sudden illness where there is a need to go to the doctor immediately) the College Office must be informed no later than 8.55 a.m. on the set day and the Director of Curriculum will determine alternative arrangements.
- d. There will be a penalty for unapproved late submission of any assessment. This penalty will be 50% for each following day (Sat & Sun = 1 day) the student is late for submission without appropriate documentation e.g. medical certificate. Failure to submit or complete work on time is considered a non-completion and will lead to an 'N' warning letter.

5.3 Details of procedures relating to assessment tasks.

- a. Notification of assessments will be at least two school weeks before the task is due. The notification may include notification date; description of the task; outcomes that are being assessed, the task description; the due date and where the task is to be handed in. Submissions are to be made according to the instructions provided by the KLA Coordinator and/or class teacher.
- b. All assessment tasks must be submitted either in print as hard copy or online via the College Intranet and Learning Management System (Moodle). This will be determined by the KLA Coordinator and/or class teacher prior to the assessment notification being issued. Computer hardware or software failure will not be accepted as an excuse for late submission. When working on assessments, students are advised to always have a backup copy of all tasks on their computer as well as draft printed copies for proof.
- c. Students are permitted to submit their assessment tasks with one of the following methods:
 - To the KLA Coordinator's Office – *a box will be placed outside their office for submission*
 - To the classroom teacher directly – *this is to be organised with the teacher before submission*
 - Online (if possible) via the College email or Moodle – *except for large documents and items that can't be submitted via an online environment.*
- d. Students can apply for Illness / Misadventure to be considered as impacting upon their performance on internal assessment tasks. Any Stage 4 and 5 students who wishes to apply for Illness/Misadventure should go directly to the respective KLA Coordinator or the Director of Curriculum to begin the process. The student is to complete the appropriate student section of the form supported with illness or misadventure evidence. The student is to then hand the form to their subject teacher and then to the KLA coordinator for review. Finally, the Director of Curriculum will review all comments and recommendations and notify the student and teachers of the final decision.

5.4 Malpractice

A review panel consisting of the relevant KLA Coordinator and the Director of Curriculum will be convened to adjudicate claims/accusations of malpractice or plagiarism. The consequence of cheating or plagiarism will be a mark of zero being awarded to the student. Malpractice includes speaking or carrying notes in your possession during an Examination.

5.5 Plagiarism and Collusion

Plagiarism breaches the principles of academic honesty. It may take many forms and whether intentional or unintentional it is unacceptable in any assessment task or piece of class work. Collusion is when a student allows another student to copy their work for the purposes of

assessment, or where students work together to submit identical work or work with large parts in common. An assessment task written or contributed to by parents or another person is also regarded as collusion.

Transcribing information from any source (eg book, web site etc) without acknowledging the sources or the author is plagiarism and is regarded as dishonest conduct.

Examples of plagiarism include:

- An assessment task that is almost entirely copied from another source such as a published article, library book or textbook, Internet site or another student's work.
- An assessment task that is constructed of segments from a number of sources without acknowledgement and link by comments produced by the student.
- Summarisation of another person's work without acknowledging a source.
- An assessment task that fails to acknowledge references from books, articles textbooks or the Internet.
- Referring to sources or evidence, which the student has not read.
- Creating and using false survey responses, data or experiment results.
- When working as part of a group activity, the submission of identical work to another student.

Students will be required to cite all sources. All research work submitted by a student must be properly referenced using the MCHF Referencing system (based on the APA system).

Any assessment task which is proven to contain plagiarized material or which is incorrectly referenced will render the student liable for a zero mark.

Any assessment task, which is proven to have been produced through collusion with other students, parent/guardian or any other person, will render the student liable for a zero mark.

5.6 Students travelling overseas/holidays during Examination Periods

Any student in Years 7 – 10 that travels overseas or interstate during formal Examination periods without being granted approved leave will receive a zero mark for the Examination that they have missed. Estimate marks will no longer be granted.

5.7 Homework

Homework is an essential part of our school ethos. Students who do not do their homework for a minimum of three times will be asked to attend an Afternoon Detention, which will be held normally on Wednesdays from 3:20 pm – 4:20 pm. Parents will be notified by an official letter from the College explaining the circumstances of the event relating to their child/ren.

Students are expected and required to complete homework on a daily basis. There is always work to do at home, whether it is homework, studying or completing assessments. Suggested times are:

- Years 7 & 8 **1 hour to 1½ hours per evening**
- Years 9 & 10 **2 hours to 2½ hours per evening**

Nature of Homework

The nature of homework varies from subject to subject and from year to year, but generally fits within these categories:

1. Set Daily Homework

Set by the teacher to consolidate the day's learning experiences. It is vital to keep up to date with this type of homework. Regular attention to homework is the essential basis of all good study habits.

2. Assignments

Assignments vary in length and nature. Many require research, while others may require experiments or collections of data or specimens at home. It is most important to prepare the assignments over the whole of the time allocated and not leave it to the last minute. Time organisation is vital to the development of independent study skills.

3. Preparation for Work to be done the next Lesson

Eg. Preparing practical work by reading through the experimental method; preparing drama/art/music exercises; flipped classroom activities; organising books and other equipment needed; checking PE uniform is ready etc.

4. Revision of Daily Work

Each evening, the day's learning should be reviewed to confirm what you have understood and to discover points of difficulty for you to check.

5. Revision of Past Work

To prepare adequately and consistently for tests and exams. Also, to improve memory retention, and remember what is taught.

6. Background Reading for New Topics

This may be from textbooks, library material, novels, magazines, newspapers and Internet. The College library and local libraries should be used. This can also constitute watching teacher identified content specific videos.

5.8 Feedback

Students will be provided with meaningful feedback on all tasks, explaining how the marks were allocated and how they could improve their performance. Feedback may be formative or summative and be timely in manner.

5.9 Appeals

- a. A student may submit an appeal against the result or mark of any assessment task. This appeal must be submitted, in writing, within a week of receiving the task back from the teacher and will be considered by an appeals committee comprising of the Director of Curriculum and the relevant KLA Coordinator.
- b. An assessment review should focus on the College's procedures for determining the final assessment mark. Students are not entitled to seek a review of another teacher's judgements of the worth of individual performance in assessment tasks. The marks/grades awarded will not be subject to review as part of this process. Any disputes over an individual task must be resolved at the time a task is returned.

5.10 Repeating a Year

- In rare occasions where a student may not have fulfilled much of the outcomes stated by NESAs at any given stage, at the discretion of the Principal, a request that a student repeats a year may be founded.
- The student should not repeat a year if it means that they will move to a lower stage of learning i.e. from Year 9 down to Year 8. However, a student may repeat Year 9 again or repeat Year 8 again etc. depending on the nature of the concerns.
- Examples of where students might repeat are: Alarming number of absences from College; Academic results are extremely poor due to laziness, inconsideration or purposefully.
- A meeting will be held with the Principal, a member of the Secondary Executive Team and the parents of the student advising them of the intent to repeat their child.

5.11 N-Determinations (Stage 5)

- Students are expected to attend every lesson with diligence and sustained effort. If a student's attendance / attitude is considered unsatisfactory, he/she is in jeopardy of receiving an 'N' Award in Stage 5; as they would not have fulfilled the required outcomes successfully as set by NESAs for a subject.
- A student who is given an 'N' determination in a Stage 5 mandatory course will not be eligible for a Record of School Achievement. Transcripts of Study will list the mandatory course(s) in which an 'N' determination has been awarded in Stage 5. The document will carry the statement "Not Eligible for the Record of School Achievement."
- A student who is given an 'N' determination in an additional course in Stage 5 retains eligibility for the Record of School Achievement provided that all other requirements are met.
- The College Principal (via the Director of Curriculum) follows the appropriate protocol as set by NESAs:
 - advise the student of the tasks or actions to be undertaken in time for the problem to be corrected and alert the student to the possible consequences of an 'N' determination;
 - advise the parent or guardian in writing (if the student is under the age of 18);
 - request from the student/parent/guardian a written acknowledgement of the warning;
 - issue at least one follow-up warning letter if the first letter is not effective; and
 - retain copies of all relevant documents
- "N" Warning letters may be issued to the student informing parents of the expectations of the subject and the teacher. These warning letters are formal documents that can be used as evidence when an 'N' Award is issued. Two warning letters are initially sent, followed by a third warning letter which confirms the 'N' Award.

- Prior to a student receiving their third warning letter for an 'N' Award, the parents/guardians are contacted and a meeting is held with the student, the parents/guardians, the appropriate KLA coordinator and the Director of Curriculum. This is initiated to explain the seriousness of the 'N' Award and to ensure that the student is given an opportunity to fulfil the requirements for the course involved.

5.12 Academic Management Plan

Any student completing a Stage 4 or Stage 5 Course who is demonstrating poor academic performance in assessments for 2 or more subjects can be placed on an Academic Management Plan.

To place a student on an Academic Management Plan:

- Teacher raises concern of student's poor academic performance with both KLA Coordinator and Year Advisor
- Year Advisor will request a Progress Report to be conducted on the student
- Results of the Progress Report are communicated with the Director of Curriculum and a collaborative decision is made if the student requires the academic management plan
- A meeting is held with the Parent/Guardian, student Year Advisor/KLA Coordinator, and Director of Curriculum
- Academic Management Plan is filled in during the meeting and a review date is set for follow up
- Class teachers and SLT are informed by the Director of Curriculum of the required responsibilities/expectations of the student as indicated in the Plan

The Academic Management Plan is reviewed on a Term by Term basis. Should the decision be made for the student to be placed on the Plan again, this will take place in a follow up meeting with the Parent/Guardian, student year Advisor/KLA Coordinator, and Director of Curriculum.

Should the student not meet the expectations set out in the Plan, a College Warning letter is issued during another follow up meeting with the College Principal and Head of Secondary.

STAGE 6 CURRICULUM POLICY & ASSESSMENT GUIDELINES

1. POLICY DESCRIPTION

The HSC Assessment Policy and Procedures are required to maintain NSW Education Standards Authority (NESA) Registration and Accreditation. Teachers, parents and students need to be informed of the HSC requirements.

2. PURPOSE

The purpose of the HSC Curriculum Policy and Assessment Guidelines is to ensure that NESA requirements are met, for students to be eligible for the HSC award.

2.1 What is Assessment

- a) The assessments submitted by schools for a particular course are intended to measure their students' achievements relative to a pre-determined set of standards issued by NESA for each course offered in the HSC. The final assessment result will be based on a student's achievement measured by assessment tasks undertaken during the course.
- b) The use of achievement measures at points during the course is seen as serving three purposes:
 - (i) It enables consideration to be given to those aspects of the course, the attainment of which can be best demonstrated over time in situations other than formal examinations, e.g. practical skills.
 - (ii) It caters for any "self-contained" elements such as fieldwork, which occur as an isolated part of the course.
 - (iii) It increases the accuracy of the final assessment of the students' achievement by utilising multiple measures.
- c] The assessment is to encompass all syllabus outcomes other than those relating to the affective domain (interests, attitudes). It will also include that content, and those outcomes that are currently measured by the external examination. It should be stressed that the assessment will not take account of conduct.

3. OBJECTIVES

The objectives of the HSC Assessment Policy and Procedures are to:

- Outline the NESA HSC assessment requirements
- Communicate and inform teachers, parents and students of the requirements
- Ensure good practice procedures are in place to facilitate meeting the requirements

4. PROCEDURE

- i. Teaching and Learning Programs are designed to cater for differing levels of need within a class and grade group to ensure each student is able to achieve at their own academic level.
- ii. When developing programs, teachers must be aware that they must not organise activities that include the use of peanuts, tree nuts or any nut products in curriculum or extracurricular activities. This does not include foods labelled 'may have traces of nuts'.
(Ref: Allergy and Anaphylaxis management within the Curriculum P-12 www.dec.nsw.gov.au)
- iii. Student Profiles are kept for each student. These are updated regularly to include a summary of information regarding a student's academic and behavioural progress. Student Profiles are stored in the Administration Offices and used by Coordinators to review and track each student's progress.
- iv. Teachers will assess students regularly in keeping with the College Assessing and Reporting policy.
- v. Names of students who are experiencing academic concern are forwarded to the KLA Coordinators for further review and assessment. Advice may be sought from other personnel such as the Secondary Leadership Team, College Psychologist, Specialist teachers.
- vi. Teachers make anecdotal comments to programs indicating achievement of outcomes by specific students.
- vii. Student performance is recognised via merits and awards.
- viii. Outstanding student performance is recognised at Academic assemblies.

5. STRATEGIES / PROCEDURES

5.1 Nature and purpose of HSC Assessment.

- a. Each student's achievement in each course will be measured through formal assessment. This assessment will determine what a student knows, understands and is able to do. There will be a variety of assessment tasks in each course. The assessment plan in each course is designed to measure the extent to which each student achieves the defined outcomes of the course. In HSC courses the formal assessments all contribute to the assessment mark which is reported as part of the student's HSC results. The Assessment Mark is not to be regarded as an indication of how the student will perform in the HSC examination.
- b. It is a requirement that the student must make a genuine attempt in all their assessment tasks in the course. Failure to do so, in any course, will result in neither a moderated assessment mark nor an examination mark being awarded. Students should keep all completed assessment tasks until after the HSC examinations. At the end of the course the marks for each task are aggregated to arrive at a final assessment mark for each student. These assessment marks, which are then submitted to the NSW Education Standards Authority (NESA), provide a rank order of students and show relative differences between students' performances.

5.2 Student responsibilities regarding assessment tasks.

- a. The assessments listed will contribute to the achievement recorded in the College reports issued at the end of each Semester.
- b. Each student is expected to complete the assessment tasks listed as well as all other assessments which teachers may use to determine student progress.
- c. Extensions of time may be granted only in exceptional circumstances by the KLA Coordinator / Director of Curriculum. Students are not to consider that extensions of time will be granted automatically for assessment tasks. Written approval must be obtained in advance (more than two days) by filling out an application for extension form from the Director of Curriculum. This approval may involve independent documentary evidence e.g. a medical certificate.
- d. If it is not possible to submit an assignment on the due date (as may be the case with sudden illness where there is a need to go to the doctor immediately) the College Office must be informed no later than 8.50 a.m. on the set day and the Director of Curriculum will determine alternative arrangements. An Illness/Misadventure form must also be completed that outlines the reason with supporting documentation. This must be completed within two days of returning to the College.
- e. If a student does not make a genuine attempt at an assessment task a zero mark may be recorded.
- f. Failure to submit an assessment task on the due date because of truancy (unauthorised absence) will automatically result in a zero mark being awarded for that task.
- g. The Director of Curriculum, in consultation with the KLA Coordinator, will determine alternative arrangements for any missed assessment task.
- h. Failure to complete an Assessment Task within the allocated time provided, either as an in class period task or for an element of a larger task will result in a zero mark being awarded.
- i. Although zero marks may result due to lateness, students must continue to submit the task, unless stated otherwise. Failure to submit or complete assessment tasks will result in an 'N' determination for that task. The College uses standard warning letters guided by NESA that inform parents about 'Non-Completion' for a HSC task. Non-completion of a task may put the student's HSC in jeopardy.

5.3 Details of procedures relating to assessment tasks.

(Includes how and when students will be notified of tasks, to whom and how tasks are to be submitted, whether the electronic submission of work is acceptable, what happens in cases of late submission and absence from tasks. These details would also include illness/misadventure provisions and the general procedures the school will adopt in the event that there are problems with a task)

- a. Teachers classes will be given a task notification sheet relating to a specific task, at least ten school days before the completion date for an assessment task. In some instances, a longer period of notice may be required by the nature of the task (e.g. large research projects). An Assessment information/notification sheet will provide the following details:
 - i. the date the task is due and any relevant procedures (e.g. use of hand-in box). the weighting of the task;
 - ii. the nature of the task; e.g. research or practical;
 - iii. the content of the task;

- iv. the outcomes to be assessed; and
 - v. a marking criteria where applicable;
 - vi. instructions for the submission of the task
 - vii. The Assessment Information/notification sheet can be found in electronic form on the school's Moodle page.
- b. If an assessment involves handing in a project or assignment completed out of class, this must be done by 8.50 am on the day the assessment is due. Students must attach the 'Submission of Assessment Task' cover sheet that gives details of where the task is handed in and which staff member received the task.
 - c. Students are permitted to submit their assessment tasks with one of the following methods:
 - To the KLA's Coordinator's Office – *a box will be placed outside their office for submission*
 - To the classroom teacher directly – *this is to be organised with the teacher before submission*
 - Online (if possible) via the College email or Moodle – *except for large documents and items that can't be submitted via an online environment.*
 - d. All assessment tasks must be submitted and printed in hard copy, unless stated otherwise by the teacher. Online submissions are accepted through the College's Intranet via your teacher's permission. Computer hardware or software failure will not be accepted as an excuse for late submission. When working on assessments, students are advised to always have a backup copy of all tasks on their computer as well as draft printed copies for proof.
 - e. Misadventure/illness is an event immediately prior or during an assessment that is beyond the student's control and which allegedly affected the student's performance in that assessment (ACE Manual p. 218). Students can write an application for Misadventure/Illness using a 'Illness/Misadventure form' available from the Director of Curriculum. Details include a written statement and documentation from a medical professional supporting the student's case. This documentation must be presented to the KLA Coordinator on the first day of the student's return to College and then this is passed on and completed by the subject teacher and finally to the Director of Curriculum. A medical certificate will be required for any assessment task missed or submitted late because of illness. A medical certificate from a doctor who is related to the student in any manner is not sufficient.

5.4 Malpractice.

- a. Cheating, or malpractice, is dishonest behaviour by a student that gives them an unfair advantage over others.
- b. Malpractice in any assessment task will result in a penalty. A Review Panel, consisting of the Director of Curriculum and KLA Coordinator will adjudicate on claims/ accusations of malpractice or plagiarism. The consequence of cheating or plagiarism will be a loss of 0% to 100% of the available marks, depending on the extent of the malpractice. Malpractice includes speaking or carrying notes during an Examination.

5.5 Students travelling overseas/holidays during Examination Periods.

Any student in Years 11 & 12 that travels overseas or interstate during formal Examination periods without being granted approved leave will receive a zero mark for the Examination that they have missed. Estimate marks will no longer be granted.

5.6 Feedback.

Teachers are expected to submit a Marking Criteria (Guide) with all Assessment Tasks that are produced. The Marking Criteria should be categorised as a percentage (or mark) according to various abilities. Each category should entail an explanation for the student. ***Students should be provided meaningful feedback on each assessment task.***

5.7 Appeals.

- a. A student may submit an appeal against the result/mark of any assessment task. This appeal must be submitted, in writing, within a week of a problem occurring and will be considered by an appeals committee comprising of the Head of Curriculum and Innovation and the relevant KLA Coordinator.
- b. An assessment review should focus on the College's procedures for determining the final assessment mark. Students are not entitled to seek a review of another teacher's judgements of the worth of individual performance in assessment tasks. The marks/grades awarded will not be subject to review as part of this process. Any disputes over an individual task must be resolved at the time a task is returned.

- c. Students may appeal against decisions concerning aspects of the award of the Higher School Certificate/Year 11 Record of Achievement on a number of basis. These may be summarised as follows:
- i. student appeals against the withholding of a Record of Achievement (attendance/application).
 - ii. student appeals against ‘N’ awards in particular subjects.

5.8 Repeating a Year

- In rare occasions where a student may not have fulfilled much of the outcomes stated by NESAs at any given stage, at the discretion of the Principal, a request that a student repeats a year may be founded.
- Examples of where students might repeat are: Alarming number of absences from College; Academic results are extremely poor due to laziness, inconsideration or purposefully and hence has been “N” determined.
- A meeting will be held with the Principal, a member of the Secondary Leadership Team and the parents of the student advising them of the intent to repeat their child.

5.9 N-Determinations

- Students are expected to attend every lesson with diligence and sustained effort. If a student’s attendance / attitude is considered unsatisfactory, he/she is in jeopardy of receiving an ‘N’ Award; as they would not have fulfilled the required outcomes successfully as set by NESAs for a subject.
- A student who is given an ‘N’ determination in a Stage 6 Preliminary course retains eligibility for the Record of School Achievement provided that all other requirements are met.
- The College Principal (via the Director of Curriculum) follows the appropriate protocol as set by the NESAs:
 - advise the student of the tasks or actions to be undertaken in time for the problem to be corrected and alert the student to the possible consequences of an ‘N’ determination;
 - advise the parent or guardian in writing (if the student is under the age of 18);
 - request from the student/parent/guardian a written acknowledgement of the warning;
 - issue at least one follow-up warning letter if the first letter is not effective; and
 - retain copies of all relevant documents
- Warning letters may be issued to the student informing parents of the expectations of the subject and the teacher. These warning letters are formal documents that can be used as evidence when an ‘N’ Award is issued. Two warning letters are initially sent, followed by a third warning letter which confirms the ‘N’ Award. (documents are found on Schools Online via the NESAs website)
- Prior to a student receiving their third warning letter for an ‘N’ Award, the parents/guardians are contacted and a meeting is held with the student, the parents/guardians, the appropriate KLA Coordinator and the Director of Curriculum. This is initiated to explain the seriousness of the ‘N’ Award and to ensure that the student is given an opportunity to fulfil the requirements for the course involved.

5.10 Plagiarism and Collusion.

Plagiarism breaches the principles of academic honesty. It may take many forms and whether intentional or unintentional it is unacceptable in any assessment task or piece of class work. Collusion is when a student allows another student to copy their work for the purposes of assessment, or where students work together to submit identical work or work with large parts in common. An assessment task written or contributed to by parents or another person is also regarded as collusion.

Transcribing information from any source (eg book, web site etc) without acknowledging the sources or the author is plagiarism and is regarded as dishonest conduct. Examples of plagiarism include:

- An assessment task that is almost entirely copied from another source such as a published article, library book or textbook, Internet site or another student’s work.
- An assessment task that is constructed of segments from a number of sources without acknowledgement and link by comments produced by the student.
- Summarisation of another person’s work without acknowledging a source.
- An assessment task that fails to acknowledge references from books, articles textbooks or the Internet.
- Referring to sources or evidence, which the student has not read.
- Creating and using false survey responses, data or experiment results.

- When working as part of a group activity, the submission of identical work to another student.

Students will be required to cite all sources. All research work submitted by a student must be properly referenced using the MCHF Referencing system (based on the APA system).

Any assessment task which is proven to contain plagiarized material or which is incorrectly referenced will render the student liable for a zero mark.

Any assessment task, which is proven to have been produced through collusion with other students, parent/guardian or any other person, will render the student liable for a zero mark.

5.11 Academic Management Plan.

Any student completing a Stage 6 Course who is demonstrating poor academic performance in assessments for 2 or more subjects can be placed on an Academic Management Plan.

To place a student on an Academic Management Plan:

- Teacher raises concern of student's poor academic performance with both KLA Coordinator and Year Advisor
- Year Advisor will request a Progress Report to be conducted on the student
- Results of the Progress Report are communicated with the Director of Curriculum and a collaborative decision is made if the student requires the academic management plan
- A meeting is held with the Parent/Guardian, student Year Advisor/KLA Coordinator, and Director of Curriculum
- Academic Management Plan is filled in during the meeting and a review date is set for follow up
- Class teachers and SLT are informed by the Director of Curriculum of the required responsibilities/expectations of the student as indicated in the Plan

The Academic Management Plan is reviewed on a Term by Term basis. Should the decision be made for the student to be placed on the Plan again, this will take place in a follow up meeting with the Parent/Guardian, student year Advisor/KLA Coordinator, and Director of Curriculum.

Should the student not meet the expectations set out in the Plan, a College Warning letter is issued during another follow up meeting with the College Principal and Head of Secondary.

6. RoSA (Record of School Achievement)

- Students who are eligible for a Record of School Achievement may enter Preliminary courses. If a student is not eligible, they may still enter the Preliminary course provided that:
 - The College Principal accredits the student to achieving an award similar or in the same calibre as the RoSA
 - The College Principal feels confident that the student can satisfactorily complete the HSC course.
- Students study a variety of courses in Year 11 that make up the mandatory hours required by NESAs to satisfy the completion of a course.
- In each course, a number of assessment tasks are completed by the students and marked by the teachers according to the Assessment Grids which are set for that year.
- Teachers accumulate the marks collected from the various assessment tasks throughout the year. Examples of Assessment Tasks include:
 - Examinations
 - Research Tasks
 - Oral Presentations
 - Practical Tasks (performances etc.)
 - Observations
- Students receive marks that relate to performance bands, where each band is described in a statement summarising the knowledge, skills and understanding typically demonstrated by students who have achieved that standard.
- The marks are sent to the KLA Coordinator to be checked and they are placed into the centralised markbook and reporting system.

- KLA Coordinators make a professional on-balance judgement to decide which grade best matches the standard that the student have achieved, based on assessment information they have collected. The grade awarded to each student at the completion of a Stage 6 Preliminary course should indicate the student's overall achievement in relation to the Common Grade Scale and course descriptors for Preliminary courses.
- Grades are given for individual achievement. Students receive the grade that best matches the standard of their achievement.
- The Final grades are submitted to the Director of Curriculum where they are entered into the system via NESAs and approved by the College Principal.
- Samples of student work and corresponding assessment tasks in Stage 6 courses are kept at the College as per requested by NESAs guidelines and RANGS.

6.1 Allocation of Marks for the HSC

- Students who complete the RoSA – Preliminary are eligible to begin their HSC course.
- Students study a variety of courses for the HSC that make up the mandatory hours required by the BOS to satisfy the completion of a course.
- In each course, a number of assessment tasks are completed by the students and marked by the teachers according to the Assessment Grid which are set for that year.
- Teachers accumulate the marks collected from the various assessment tasks throughout the year. Examples of Assessment Tasks include:
 - Examinations
 - Research Tasks
 - Oral Presentations
 - Practical Tasks (performances etc)
 - Observations
- Students receive marks that relate to performance bands, where each band is described in a statement summarising the knowledge, skills and understanding typically demonstrated by students who have achieved that standard.
- The marks are sent to the KLA Coordinator (Head of Faculty) to be checked and they are placed into the centralised markbook and reporting system.
- The final assessment mark is based on the marks assigned to the various assessment tasks. This final assessment mark is usually best reached by the straightforward aggregation of the assessment task marks for each student.
- Statistical standardising procedures can be applied to the marks for individual assessment tasks, however, it is not encouraged as teachers need to be aware of the exaggerating effect of applying such statistical procedures on tasks which could lead to poor discrimination.
- Marks submitted to NESAs should establish the rank order and reflect the relative differences between students' achievement in the course. This is also reflected in the reports that HSC students receive at the end of each semester.
- Samples of student work and corresponding assessment tasks in Stage 6 courses are kept at the College as per requested by NESAs through RANGS.

6.2 RoSA - Transferring Students / Arrivals

- Where a student wishes to enrol at MCHF for the Preliminary or HSC course from an another NSW School, the Director of Curriculum reactivates the student's entry for the Record of School Achievement, confirms the Stage 6 Preliminary program of study undertaken by the student, and confirms the NESAs unique student number. Students transferring from another NSW school retain the student number allocated by NESAs from the previous school's entry record.
- If a student is not eligible, they may still enter the Preliminary course provided that:
 - The College Principal accredits the student to achieving an award similar or in the same calibre as the RoSA
 - The College Principal feels confident that the student can satisfactorily complete the HSC course.
- If the transfer occurs before the end of Term 2, Year 11, MCHF must submit the grades. The Director of Curriculum will consult the previous school about the validity of the grades. If the transfer takes effect in Term 3, Year 11, the previous school is responsible for submitting grades to NESAs.

- If a student has been taking one or more Life Skills courses at the previous school, MCHF will continue to provide those Life Skills courses and ensure that the outcomes are achieved.
- Where a student arrives from overseas and wishes to be enrolled into Year 11 or Year 12, the Principal (via the Director of Curriculum) determines whether the student satisfies the requirements to complete the course successfully and courses are entered via Schools Online.
