MESSAGE FROM THE PRINCIPAL – Sr Margaret Ghosn

As the Winter cold sets in students need to make sure they are taking in lots of Vitamin C. If students are very sick it is preferable they stay at home. Can I ask parents to put in a schedule at home so students know what is expected of them. There should be in place at least 1 to 2 hours of homework time allocated. Parents have an important role to play in the academic success of their child.
