MESSAGE FROM THE PRINCIPAL

We are now counting down the days to the end of the year. As imagined, there is quite a great deal of movement happening as we draw closer to the end. Exams are underway and nearing completion for the students. The final event in the life of the Year 12 students at the College will be the Year 12 Formal which will take place tonight. Hoping that the evening is enjoyed by all.

Today we farewelled the Year 6 students. The day commenced with the celebration of Mass which was then followed by the Graduation Ceremony in the hall. I once again thank all the staff, students and parents which helped make this day a wonderful event in the lives of the Year 6 students. A few words of advice for the Year 6 students:

“**CHOOSE** YOUR FRIENDS
WITH CAUTION;
PLAN YOUR **FUTURE**
WITH **PURPOSE** &
FRAME YOUR LIFE
✠✠ WITH **FAITH**”

Sr Irene Boughosn
PRINCIPAL

MESSAGE FROM THE PRIMARY EXECUTIVE

We are fast approaching the end of not only the term, but another year. For our Year Six students, today marks the culmination of seven years of primary schooling and the beginning of the next stage of their educational journey. As we say goodbye, I would like to wish them well as they transition into Year 7. For those very few students who are leaving the MCHF Community, I hope that you remember your time at our College with great fondness and cherish the special memories you've made along the way.

Year 6 Graduation

The special day for our Year 6 students began with a beautiful mass held in their honour. It was a wonderful celebration, made even more special with the attendance of their Kindy buddies. The choir led by Mr Nouh, Mrs Chalhoub and Mrs Sassine, did an outstanding job as always. Thank you to Ms Rozario, Ms Mourched, Ms Dasouqi, Mr Watkiss and Ms Mourani for their efforts in preparing all aspects of the Mass. A special thank you to Fr Tony and Fr Danny for the constant spiritual guidance they provide.

The Year 6 Awards Ceremony was held in the Primary Hall at the conclusion of the Mass. Sr Irene delivered an inspirational and heartfelt speech to all

students before the presentation of the awards and Graduation Certificates. The cutting of the cake officially ended the ceremony. Students then shared their Primary School memories and said their goodbyes. I would like to take this opportunity to thank Sr Irene for her guidance and support throughout this year of uncertainty. Thank you also to Sr Marlene for her guiding presence. Finally, to Ms Rozario and the Year 6 teachers, your dedication and hard work throughout the year has been much appreciated.

Water Bottles

As the weather is heating up, we encourage all students to bring water bottles to school so that they can be refilled throughout the day.

Year 5 Mathematics

In Mathematics, 5 Rainbow have been learning all about measurement. They were given the challenge to design and make packaging for lollies and weigh the gross mass. It was a delicious learning experience.

Overdue Library Books

There are still a number of books needing to be returned to the Primary Library. We ask that all books

are returned as quickly as possible so that the end-of-year procedures can be finalised. This will ensure that all the books are back on the shelves and ready for borrowing at the start of the 2021 school year. If your child has misplaced or damaged their book, please advise the classroom teacher as soon as possible.

Lost Property

There is a large amount of lost property accumulating in tubs outside the Primary Office and on the Primary Playground. If you have lost any item of clothing, please check to see if it is in either tub. All lost property will be cleared at the end of next week.

Mr D. Day
Head of Primary

Year 6 Secondary Taster Day

Year 6 students participated this week in their secondary taster day where they experienced a life in secondary. This was the last session of their transition program as they had the opportunity to read a timetable, move around the secondary buildings and attend secondary classes. Year 6 students are to be congratulated for the enthusiasm they showed on this day. We look forward to having them with us next year in secondary.

The fair provided students an opportunity to explain their project and demonstrate their knowledge gained while completing the project. Dear parents and friends, we are constantly looking into ways to ensure our College environment remains a safe place for all to enjoy. College staff, students, parents and visitors are encouraged to report any hazards they may see while on campus grounds. In order to make this reporting process a little more accessible we have created an eform in our SkoolBag App. As always we look forward to working closely as a College community.

It is imperative that road rules are obeyed during drop off and pick up times. The College expects parents who cannot locate a legal car park on the street, to park in the Church car park. Parents should then walk to collect their children from the College grounds and accompany them safely back to their vehicle. Police have been requested to patrol this area after a community complaint was received regarding illegal parking in front of the College.
