Purchasing of the Jacaranda Digital Bundle and Personal Device usage

Dear Parents/Guardians

MCHF Parramatta has chosen the Jacaranda Digital Bundle as the learning solution for your child in 2022. The Jacaranda Digital Bundle is a high-value package that provides access to 13 premium digital resources across eight core curriculum subjects (including Maths, Science, English, History, Geography, PDHPE, Art and Religion). The cost is \$155.00 per child, per year. The bundle for year 7 has been finalised as part of the enrolment fee.

Accessing the Jacaranda Digital Bundle

Your child will receive their JacPLUS account login details (Username & Password) in Term 1 next year. To access the JacPLUS account please visit: <https://www.jacplus.com.au/>

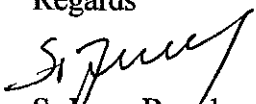

All Year 7 students will be expected to have a laptop when they commence in Secondary in 2022. The new Jacaranda Digital Textbooks and resources can only be utilised with a digital device and a strong connection to the Internet.

However, there are a number of conditions:

- All eBooks must be installed / accessed on personal devices. The College will not be providing devices for personal use for students – unless they are borrowed for Learning Support students.
- It is your own responsibility that the device is charged each day and maintained by you for use at College. Teachers will not be charging your devices for you if the battery is low.
- BYOD-WiFi is available to access your resources, once you have signed the BYOD/ICT Contract.
- The student must take full responsibility to ensure that their device is not damaged or misplaced in any manner. The College will not be held responsible if damage does occur to their device.

We look forward to moving forward with the digital era of learning and ensuring that your child receives the highest of standards in the delivery of the content taught.

Regards

Sr Irene Boughosn
Principal
