Pastoral care is a valued and important aspect of life at Maronite College of the Holy Family. It underpins all we do both within the classroom and outside. Pastoral Care means being concerned for the total wellbeing of students and with the development of the whole person. Pastoral care incorporates the implementation of programs and practices aimed at promoting and supporting wellbeing, the College vision and mission and the climate and atmosphere in which students and staff learn and work. The Student Behaviour Management Policy is closely linked to pastoral care and promotes a respectful, safe and healthy environment for the whole College community.

4.1.1 PRIMARY PASTORAL CARE PROGRAM

Pastoral care concepts are incorporated into Religious Education lessons as well as in programs specifically designed to promote and develop pastoral care in students.

4.1.1.1 Personal Development

Each year the year six students participate in a program designed to explain how they are developing and to answer questions relating to puberty, reproduction and the promotion of a healthy body image. Staff from Maronite Family Planning educates the students in a manner that is respectful to their religious upbringing and assist the students with any questions they may have.

Students have numerous possibilities to enhance their social and leadership skills through committees such as the SRC, St Vinnies group or the Social Justice group. There is the academic nourishment through mock trial and public speaking. There is the creative side that is developed through assembly presentations, concerts, Choir and end of year Expo Extravaganza.

The Secondary also has implemented a social structure where each student has several people they may approach or confide in, including the homeroom teacher, Year Advisor, psychologist, Director of Pastoral Care/Career Advisor, College Chaplain and the Secondary Leadership Team. Pastoral Care also implies spiritual care and this is offered through times allocated for reconciliation and participation in the Eucharistic Liturgies as well as praying before the daily announcements.

The Peer Support Program promotes wellbeing, which encourages positive relationships, connectedness and a sense of responsibility.

Students will be participating in the Resilience: Rethinking Challenges program. Rethinking Challenges encourages young people to acknowledge their strengths and achievements identify people who provide support, take responsibility for their wellbeing and learn from achievement, success and failure. The modules focus on transition, resilience, values and anti-bullying.

As well as the daily question, students are allocated a homeroom/pastoral teacher 2-3 times per term to run the session. Lessons are 60 minutes each with the groups consisting of 8-12 students per group.

The lessons are located at the back of the student's daily planner and focus on emotional literacy, gratitude, empathy and mindfulness.
